[Citizen X and his grey bag]

Instead of "Moe," you and the police see Citizen X. All of the police hate X [Did you hear me? They hate him!!!] They notice X driving up in this triple black Ford Explorer. Officer Coleman said, "How did he get a 2013 Explorer?" Officer Jones said, "By selling drugs." One of the officers noticed that X isn't wearing his seat belt. He also notices a plain grey bag sitting on the dashboard of the Explorer. As soon as X steps out of the Explorer one of the officers gets close to him and says, "We got you sucker, you're under arrest." Officer Coleman put his right hand on X's left shoulder and maneuvered him to the police car.

While Coleman moved X toward the police car, a second officer seized the grey bag. Inside the grey bag was a smiling photograph of X standing over three (3) dead bodies holding a smoking gun. Written in the right corner of that photograph are X's handwritten note: "Yes I killed all three (3) of them. These bodies may be found at 626 Cleveland Avenue in the basement of apartment #15.

Sure enough, the bodies were found there along with X's gun. Engraved in the pearl handle of that gun was a color picture of X along with the words: "This is X's gun!"
